

Founded in 1901, St. Clement's School is one of Canada's leading independent day schools for girls. We are recognized for our long-standing commitment to academic rigour and excellence within a close-knit, nurturing community. At SCS, you will find our unique small-school advantage: with 470 girls in Grades 1 through 12 learning together under one roof, every girl is known and valued. Throughout their time at SCS, our students are encouraged to question and discern, connect within and across disciplines, and persist through complexity and uncertainty.

SCS is uniquely innovative and creative, dedicated to fostering curiosity in our girls; uncovering and enhancing their passions; and giving them the courage to try new things.

We invite innovative and passionate teaches to apply for the full-time position, starting August, 2018:

Computer Studies & Technology Teacher

The incumbent will provide all standard responsibilities of a Computer Studies & Technology Teacher, working collaboratively with all members of the Computer Studies & Technology department, while supporting the School mission statement, philosophy and all School policies.

The incumbent will engage in full participation in the life of the School. Key responsibilities also include teaching a full course load, supporting the Robotics team, organizing and participating in extra-curricular trips and activities, which may fall before and after school hours and on weekends.

Qualifications

Education:

- B. Ed (I/S) and hold a Certificate of Qualification and Registration with the OCT
- Qualifications in one of Computer Studies (or Computer Science) or Technological Studies preferred

Experience:

- Ability to teach computer programming; experience an asset
- Contributing to maintaining a positive and collaborative team atmosphere
- Prior experience in Robotics (VRC or FRC) an asset

Relevant Skills & Attributes:

- Strong teamwork, collaborative planning and instructional skills
- Ability to draw from a wide variety of teaching and assessment strategies
- Knowledge of educational programming languages and development environments (e.g. Java, Alice, etc.) an asset, as well as knowledge of information and communication technologies and their use
- Ability to build positive, collaborative relationships with colleagues, parents and students
- Commitment to girls' education, and knowledge of girls' developmental and educational needs; understanding of the middle school and senior school learner
- Flexible, creative and innovative
- Commitment to co-curricular activities and full participation in the life of the school
- A record of encouraging, nurturing, and supporting students' love of learning

We offer a competitive compensation and benefits package, including participation in the Ontario Teachers' Pension Plan. We support and encourage ongoing professional development. As a condition of employment, a criminal record check is required.

Interested and qualified candidates are invited to forward a letter of application and detailed résumé, by noon on Friday, June 15, 2018, to:

hr@scs.on.ca

To learn more about St. Clement's School, please visit our website at www.scs.on.ca.

St. Clement's School is an equal opportunity employer. Accommodations for disabilities will be provided where needed, on request, to support applicants with disabilities to participate in our recruitment process.

We thank all candidates for their interest. We regret that only those selected for an interview will be contacted.
