EMPLOYMENT OPPORTUNITY

POSITION: Library/Technology Teacher

Dwight School is seeking a full-time **Library/Technology Teacher** beginning in September 2017.

The daily responsibilities of the **Library/Technology Teacher** are to:

- Teach technology and/or research classes in grades 6-12
- Support the daily operation of the library, including supervising students, circulating library resources, and providing reader's advisory and research assistance
- Assist faculty and students with the meaningful use of the school's library, media, and technology resources
- Develop and deliver internal library, media, and technology training
- Model innovative technology use for other Dwight community members

The ideal candidate will meet the following qualifications:

- Experience working with middle and high school students
- Teaching experience in one or more of the following disciplines: library, media, technology
- Experience working in a school with a 1:1 program
- Ability to contribute positively to the community with patience and humor

Interested candidates should submit their most recent resume and cover letter via e-mail to techposition@dwight.edu with the subject Library/Technology Teacher.

Dwight School's goal is to achieve and maintain equal employment opportunities. It is also the policy of Dwight School to maintain a work environment free from discrimination based on race, color, religious creed, national origin, gender, sexual orientation, age, disability, genetic information, veteran/military status, marital status or other status protected by federal or state law, with regards to any term or condition of employment.
